**ORDER OF DETENTION PENDING TRIAL**

**\*LATWAIN MAURICE WILLIAMS,**

Case

4:06-CR-20120-FL

*Defendant*

In accordance with the Bail Reform Act, 18 U.S.C. § 3142(f), a detention hearing has been held. I conclude that the following facts require the detention of the defendant pending trial in this case.

## Part I—Findings of Fact

- ☐ (1) The defendant is charged with an offense described in 18 U.S.C. § 3142(f)(1) and has been convicted of a ☐ federal offense ☐ state or local offense that would have been a federal offense if a circumstance giving rise to federal jurisdiction had existed - that is
- ☐ a crime of violence as defined in 18 U.S.C. § 3156(a)(4).
- ☐ an offense for which the maximum sentence is life imprisonment or death.
- ☐ an offense for which a maximum term of imprisonment of ten years or more is prescribed in \_\_\_\_\_
- ☐ a felony that was committed after the defendant had been convicted of two or more prior federal offenses described in 18 U.S.C. § 3142(f)(1)(A)-©, or comparable state or local offenses.
- ☐ (2) The offense described in finding (1) was committed while the defendant was on release pending trial for a federal, state or local offense.
- ☐ (3) A period of not more than five years has elapsed since the ☐ date of conviction ☐ release of the defendant from imprisonment for the offense described in finding (1).
- ☐ (4) Findings Nos. (1), (2) and (3) establish a rebuttal presumption that no condition or combination of conditions will reasonably assure the safety of (an) other person(s) and the community. I further find that the defendant has not rebutted this presumption.

## Alternative Findings (A)

- (1) There is probable cause to believe that the defendant has committed an offense for which a maximum term of imprisonment of ten years or more is prescribed in \_\_\_\_\_
- ☐ under 18 U.S.C. § 924©.
- (2) The defendant has not rebutted the presumption established by finding 1 that no condition or combination of conditions will reasonably assure the appearance of the defendant as required and the safety of the community.

## Alternative Findings (B)

- X (1) There is a serious risk that the defendant will not appear.
- (2) There is a serious risk that the defendant will endanger the safety of another person or the community.

## Part II—Written Statement of Reasons for Detention

I find that the credible testimony and information submitted at the hearing establishes by clear and convincing evidence X a preponderance of the evidence that detention is appropriate in this matter. The information presented at the hearing reveals that the defendant is a resident of the area. Further, it appears that although he has family in this area, those ties are tenuous. The record further indicates that the defendant has 6 bench warrants against him for failure to comply with State court orders. He also has a previous conviction involving illegal drugs. Based upon the information presented at the hearing it appears that the defendant lacks stable family ties as well as any permanent place to reside at this time. It further appears that he has a history of failing to comply with court orders. Accordingly, I find that he poses a risk of flight should he be released on bond at this time. He shall be detained without bond pending trial in this matter. The issue of bond may be revisited should his circumstances change. IT IS SO ORDERED.

## Part III—Directions Regarding Detention

The defendant is committed to the custody of the Attorney General or his designated representative for confinement in a corrections facility separate, to the extent practicable, from persons awaiting or serving sentences or being held in custody pending appeal. The defendant shall be afforded a reasonable opportunity for private consultation with defense counsel. On order of a court of the United States or on request of an attorney for the Government, the person in charge of the corrections facility shall deliver the defendant to the United States marshal for the purpose of an appearance in connection with a court proceeding.
